Ethos issues voting recommendations in accordance with its own voting guidelines. The general meetings of companies outside Switzerland are provided by ECGS (Expert Corporate Governance Service), of which Ethos is a member since 2005. ECGS members apply the same "Corporate governance principles" that take into account the concept of corporate social responsibility. Ethos conducts a systematic verification of the voting recommendations of ECGS to ensure that all analyses and voting recommendations comply with its own voting guidelines. The information was gathered from sources available to investors and the general public, e.g. company reports, websites, eventually direct contacts with companies.
